

## **#free2freelance is a signal for free capacities.**

Spread the word. Use it as freelancer. Search for it as employer.

Flexibility, adaptability, service approach, availability and short response times, a well equipped home office, independent working, experience with remote work, a reliable network, helpfulness, resourcefulness, resilience, knowledge of how others solve problems, are facing the crisis and how to deal with uncertainty.

Welcome to the world of freelancers!  
We have already trained and are well prepared.
